

PWS Floatation

- Modular Flotation System for Floating House

A successful example of application of **Rigifloat™ CPS + RPC**

Rigid Connection

- CPS pontoons firmly connected by RPC connectors for stability

Robust & Durable

- Only 8 pairs of portable solid keys used for superior strength

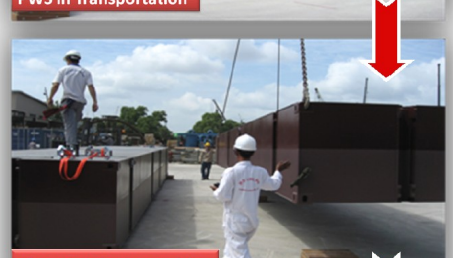

Modular System

- Quick & easy to assemble/re-configure/extension even on water

Easy Transportation & Shipping

- Handles like any ISO freight container

Process Flow of PWS Assembly
